Enkele branches waar wij werkzaam zijn: tuinwinkels, bouwmarkten, horeca, vishandels, supermarkten, wellness centra & attractieparken, interieurbouw & woonwinkels, kerst- en relatiegeschenken en eigenlijk alles wat met hout dan wel hout gerelateerde producten te maken heeft.

Onze voornaamste klanten bevinden zich door heel Europa, maar daarnaast hebben wij de nodige ervaring met klanten buiten Europa. Doordat wij voorzien zijn van een groot distributiecentrum en eigen logistiek centrum, kunnen wij altijd zorgen voor een snelle en kwalitatieve levering binnen heel Europa. Voor de rest van de wereld hebben wij een groot netwerk aan partners, zodat dit ook geen enkel belemmering voor levering mag zijn.

Vakmanschap, kwaliteit en betrouwbaarheid hebben wij dan ook hoog in het vaandel staan!

Gardens & Herbs

Wood works, once wood dries out it will shrink. That is why we recommend to sprinkle the buckets with water. In the winter it would be best to store the buckets upside down, this way you will prevent damage by freezing.
